

About Thrive in Unity

thriveinunity.org

Our Mission

Thrive in Unity is a non-profit organisation which aims to help new students (international students and those with English as a second language) succeed academically and socially in New Zealand. We provide a safe space for teen students to ask questions and get support as they navigate life in New Zealand and transition into high school.

Our Vision

We believe in a future where every new student has equal access to the support they need to thrive. Our platform provides students with a safe space to share their feelings and get connected. We focus on providing relatable and individualised support while connecting students with new friends and mentors.

Our Services

- Individual support: A secure email address where students can reach out for support and ask questions
- Safe Online Community: A safe, moderated online space where you can meet friends and share resources
- Mentorship and tutoring: Support with NCEA and study skills from friendly mentors who understand what you're going through.

Frequently Asked Questions:

Q: Will my messages be completely private?

A: Your messages are completely private and only our support team can see and will reply.

Q: How quickly will I get a reply?

A: We aim to respond within 24 hours.

Q: What kind of questions can I ask?

A: Anything that's on your mind, including friendships, study tips, and moving to a new country. We're here to help you!

Q: Can I become a mentor or volunteer?

A: Definitely yes. If you're a high school student who is willing to give up some time to support others, reach out to us. We'd love to hear from you.

Q: Can I get support for NCEA level 2 and 3?

A: Yes, we can support students from Year 9 to Year 13.

Q: Are your services online or in-person?

A: We offer both online and in-person services. We understand that tutoring and mentoring is often most effective in-person and in groups.
